More babies are sleeping through the sermon, thanks to your investments.

GRACE LUTHERAN CHURCH, ADEL, IOWA

After years of worshipping in borrowed spaces, Grace Lutheran Church used a Mission Investment Fund loan to build its first church building, complete with a baby nursery for tiny congregants. When you invest your savings with MIF, we use your investments to finance building loans for new-start congregations like Grace. Because the sound of a sleeping baby may just be the sweetest sound of all.
